

Ghana outdoor telecom enclosure

Overview

Our solution integrates high-efficiency rectifiers, intelligent controllers, and advanced thermal cooling within a durable, IP55-compliant cabinet — all designed to keep your equipment running smoothly and efficiently, no matter the weather conditions. Experience reduced energy loss and improved. KDM's outdoor telecom enclosures are weatherproof, rainproof, waterproof, sun-proof, and dustproof cabinets with IP ratings of IP55 up to IP67 ratings and NEMA standards of 3R up to 6. They have adjustable rack sizes and spacing, a 3 and 4-point locking system, and solar caps to manage heat loads. KDST delivers safer, smarter, and more efficient outdoor cabinet solutions, engineered to protect sensitive equipment in any environment. We design and manufacture high-quality custom enclosures, while providing professional assembly, system integration, and tailored support services for telecom. AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets.
