

Kingston New Power Energy Storage Project

Overview

Big moves in UK battery storage! Kingston Council has granted planning consent for a 98MW Battery Energy Storage System (BESS) in Leatherhead, Surrey—part of a 1GW/2GWh portfolio acquired by Eku Energy from Bluestone Energy. This July 4th, the Buddy Liner Memorial Firework Show at Athens Regional Park is extra special! For the first time ever, The City of Athens is incorporating a DRONE SHOW into the festivities for the United States' 250th birthday. The Council granted the consent on 24 September 2025, for the BESS and associated cabling and infrastructure construction, following the projects application around. TVA issues Request for Proposals for a new utility-scale 100-megawatt battery storage system for its Kingston Energy Complex in Roane County, Tennessee. Interested developers should preregister at tva.com/KingstonBESSRFP to be a part of the bid process. TVA will issue the bid packet to registered. ROANE COUNTY, Tenn. The fossil plant has been producing coal-powered energy for Tennessee Valley Authority for 70 years.
